

OfficeDoku Safes are type tested and supervised security by ECB.S.v.
With three-sided locking through 28mm Ø bolts, 1 hour fire protection for paper documents, intelligent menu-driven operation, up to 10 users and the option for biometric security, OfficeDoku Safes cater to all your commercial security needs.

OfficeDoku 121 E & 124 E

OFFICE DOKU

COMMERCIAL SAFES

Electronic

Multiple Users

Sophisticated user access programming can be achieved by creating multiple users (up to 10) for the Safe. Each user is assigned their own access code.

Full Audit Trail

Full (Date/Time/User) Audit Trail Log with the last 1000 entries recorded.

Date/Time Access Control

Users can have a specific Date and Time access assigned.
E.g. Particular users only allowed to open safe between 9AM - 5PM, Mon - Fri.

Opening Delay Option

This option means in a duress situation the safe is only able to be opened after a predetermined delay. Delay time counts down on screen.

Dual (or Tri) Code Entry Access

This option means that 2 users (or 3) need to enter their code to open the safe.
E.g. 2 duty managers need to be present when accessing the safe.

Security Safe with S 60 P Fire Rating
- 1 hour protection for paper

Double walled Door and Body.
