# NEW:

*bigger capacity, maximised protection*

The NEW *DataPlus*+ range from Chubbsafes has been expertly designed to ensure you have the best protection for your vital data media now with extra capacity.

# DataPlus+

fire resistant data protection

## Key features

- Easy slam action emergency closing in event of a fire.
- Generous capacity. Chubbsafes cabinets have been designed to give you more for your money than most other manufacturers' cabinets.
- Quality media protection.
- 2 hour datamedia protection label. Tested to the highest international standards; UL 72 and EN 1047-1. CEN Norm is certified by ECB.S in class S 120 DIS.
- Easy to transport and install. Low weight ratio due to new advanced fire protection barrier material.
- Ability to customise by using internal fittings to optimise your storage capacity.
- Removable front base plate allows access to a pallet truck for ease of installation.
- Standard bolt down feature prevents unauthorised removal.
- The cabinet is fitted with a keylock as a standard. Electronic locks capable of potential connections to a central alarm system may be fitted as an option.
- The cabinet is an attractive light grey which fits in well in most office interiors.
